

We have a variety of support sacks available on loan to share with your child to support them with change. We also have support sacks to promote healthy eating, oral care, good sleep patterns and speech. See below a list of our support sacks.

We have a sack containing tips to promote healthy eating

Leaflets, books and resources on encouraging good oral care.

A support sack containing books and leaflets for separating parents

Moving house can be a stressful event and this sack contains leaflets and books to support this transition.

Sleep issues – sleep is extremely important to support children physically and mentally. This sack contains a wealth of tips and books to encourage good sleep patterns.

Speech sack – leaflets to support speech and language delay.

Giving up the dummy. Leaflets and toddlers and dummies and how to ditch the dummy.

A useful sack containing books and props to support your child when going to the doctor.

A new baby – books and props to help prepare your child for the arrival of a new brother or sister.

New glasses – tips on buying your child a new pair of glasses.

Potty training – tips and props to help with potty training.

On-line safety – we have two folders to share with your child to teach on-online safety.

Bereavement and death of a pet – sensitive and age appropriate books to help with bereavement.
